JESUS SAID

YOU ARE THE LIGHT OF THE WORLD -
LIKE A CITY ON A HILLTOP THAT CANNOT BE HIDDEN

Dear friends,

It was such an encouragement that so many of you were able to tune into the live service last Sunday and the national prayer evening. It is likely that people were more aware of the reality of God today than they ever have been. Although physical distancing may slow down the spread of the coronavirus nothing can ever separate us from the love of God.

For I am convinced that neither death, nor life, nor angels, nor rulers, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord. (Romans 8:38-39)

Let us hold unwavering to the hope that we have found in Christ so that we can be a light during this time of darkness.

As the current pandemic is unfolding and the government is enforcing more severe restrictions people will understandably be anxious and afraid. It is important that as a church we are doing our best to support the community. Our SMS and telephone prayer line is currently operational and I hope your buddies have been making regular contact with you. May I also encourage you to try and **setup "What's App" on your phone** so that you can join our church group. For instructions go to:

<https://www.wikihow.com/Install-WhatsApp>

Once you have installed What's App, drop me (Anthony) a message and I can add you to our group.

You are welcome to join us **tomorrow (Wednesday) at 11:00am** for a time of prayer and reflection. You can tune in live by following the instructions at <https://dunfermlinewest.org/online/>. In addition, so that we can pray together please phone into our telephone conference using the details on the "Stay Connected" page of this letter. The telephone conference is private and will not be shared live.

This Sunday we will be streaming live again at 11:00am and will be including a time of praise. Our guest speaker will be Dr. Kenny MacMillan who is a good friend of mine from college. He will be speaking on Elijah and I am sure we will find his message a real encouragement. Kenny and I are meeting at the church this week to record his sermon and fireside chat, in a safe manner as per government guidelines.

Each Sunday we will follow up with study questions which you can use during the week. I hope that we might facilitate a weekly bible study group in the future.

Let us continue to stay in touch, to pray for one another and to not lose hope.

JESUS SAID

**YOU ARE THE LIGHT OF THE WORLD -
LIKE A CITY ON A HILLTOP THAT CANNOT BE HIDDEN**

For so the Lord has commanded us, saying,

‘I have set you to be a light for the Gentiles, so that you may bring salvation to the ends of the earth.’

When the Gentiles heard this, they were glad and praised the word of the Lord; and as many as had been destined for eternal life became believers. Thus the word of the Lord spread throughout the region. (Acts 13:47-49)

Your brother in Christ, Anthony.
